

**HOME
START**
Essex

WE Talent is proud to announce that we'll be supporting Home-Start Essex again this Christmas.

Home-Start Essex aims to give children the best possible start in life by supporting parents and caregivers to feel less isolated, to build their confidence in themselves and their parenting and to find ways to manage the challenges they face. They build trusting, helpful relationships with families and deliver a range of flexible support to meet their individual needs, including volunteer-led home visiting, family groups, wellbeing services, school-readiness, and behaviour support programmes.

How can you help?

We're asking for donations of 'new and unopened' toys and gifts suitable for children, and a few things for adults, such as warm scarf/gloves, toiletries, boxes of biscuits etc. The team at Home-Start Essex then gift these items to the families they work with at the Christmas parties they organise in December.

Many families face the prospect of being unable to provide gifts for their children at Christmas, and these donations make a real impact for the children, and their families, who receive them.

We'll collect from you...

That's right, we'll come to your business and collect your donations, and take them to Home-Start Essex. All you need to do is ask your teams if they'll support our initiative and buy an extra gift when they're shopping and bring it in when they come in to work or visit your premises.

How to support us:

Please let us know if you'd like to take part by emailing or calling us, and we'll arrange a collection date with you.

And finally
Thank you for supporting us
